

Brethren & Neighbours,

Being informed that you are met together partly with reference to my Sallery; I shall take this opportunity (which I should have done last year if I had seasonably known of your meeting then on the like occasion) to express my grateful sense of your kind regard to me & my deceased son, in making an addition to my Sallery the preceding year, to defray the ~~expense~~ charge of his funeral. It was a great help & satisfaction to me.

Give me leave now to observe to you, that I know not how, with my income, to support my Family, so as I believe you are willing it ~~shall~~ should be; For although the subsisting ~~charge~~ my son at College is a great expense, yet I have sold & expended more of my real estate than would do that, besides being obliged to hire considerable sums of money & contracting other debts.

It seems as if I have not had what might be expected from the Contract considering your circumstances & mine.

However, I shall submit the matter to your Justice, or Generosity, or both, to afford me relief in such measure & manner, as you shall think proper.

It is with some reluctance that I make this application; But it is to my people, who in this affair have never yet said me, Nay.

From your affectionate

Pastor,

N. Stone.
